**Notes to Table 2:**

The table above, reflects Central Administration - including Ordinary Budget and Public Investment Budget - stock of arrears in their entirety regardless of the year they were created.

The data has been collected by the Budget Directorate (D/20) of the General Accounting Office and is based on data provided by relevant bodies.

Ordinary Budget arrears are included in the 2011 Budget estimates.

The Ministry of Finance is publishing these data in the context of the effort to improve transparency and monitoring of fiscal data.

Data may be subject to further improvements and modifications as the quality of data collected improves and processing mechanism and methodologies develop.
