MINISTRY OF ECONOMY, COMPETITIVENESS AND SHIPPING				
MEASURES - ACTIONS FOR THE 1st REVIEW (to be completed by end Q2 2010)				
C. STRUCTURAL MEASURES				
No.	Measures	Other Authority	Status of implementation	Notes
Business Environment				
	Business start ups:			
1	Adopt law to simplify start-ups of new businesses		Completed. Law 3853/2010, FEK 90A/17.06.2010	<i>also in the SGP</i>
Structural and Cohesion Funds				
	Increase absorption of Structural and Cohesion Funds:			
2	Put in place measures, including the implementation of Law 3840/2010, the establishment of a "fast-track project production", to achieve the six-monthly targets for payment claims targets in the absorption of Structural and Cohesion Funds and take steps to achieve an annual target of submitting 10 major projects applications to Commission services.		Draft law being prepared	<i>also in the SGP</i>
3	Establish a technical task force in direct contact with Commission services, to ensure rapid implementation of a) major projects in transport sectors, b) environmental projects; c) financial engineering instruments and d) public administration reform, relying on increased technical assistance		Ministerial Decision being prepared	
4	Complete steps to ensure that budgetary appropriations for the national co-financing of Structural and Cohesion Funds are channelled to a special central account that cannot be used for any other purposes and which should be available to provide co-financing to all entities in the general government		Procedural details to be specified in cooperation with MinFin	

2.

MINISTRY OF ECONOMY, COMPETITIVENESS AND SHIPPING

MEASURES - ACTIONS FOR THE 2nd REVIEW (to be completed by end Q3 2010)

C. STRUCTURAL MEASURES				
No.	Measures	Other Authority	Status of implementation	Notes
Business Environment				
Business start ups:				
1	Make the General Commercial Registry (GEMI) fully operational			
Promoting Investments and Exports				
Promoting FDI and investment in strategic sectors:				
2	Take measures, in line with EU competition rules, to facilitate FDI and investment in innovation in strategic sectors (green industries, ICT etc...) through a revision of the Investment Law, the adoption of measures to facilitate PPPs, action to fast-track large FDI projects and measures to strengthen export promotion policy			

3.

MINISTRY OF ECONOMY, COMPETITIVENESS AND SHIPPING

MEASURES - ACTIONS FOR THE 3rd REVIEW (to be completed by end Q4 2010)

C. STRUCTURAL MEASURES				
No.	Measures	Other Authority	Status of implementation	Notes
Public Administration reforms				
Public procurement:				
1	Complete the first phase of the public procurement system reform, with a central procurement authority and involving a swift implementation of the electronic platform for public procurement and introducing the use of e-auctioning system. It should ensure a common approach and tendering procedures, <i>ex ante</i> and <i>ex post</i>			<i>also in the SGP</i>
Business Environment				
Services Directive:				
2	Adopt measures in key service sectors such as tourism, retail and education services	MinCult/ MinEduc		<i>also in the SGP</i>

	Simplify the licensing of industrial units and reduce the costs of doing business:			
3	Adopt legislation to simplify and accelerate the process of licensing enterprises, industrial activities and professions, which inter alia revises Law 3325/05, makes Law 3335/05 for business areas, and operationalises the spatial plan			
	Competition policy framework:			
4	Adopt a law modifying the existing institutional framework of the Hellenic Competition Commission (HCC) which gives the HCC the power to reject complaints, to increase the independence of HCC members, and to establish reasonable for the investigation and issuance of decisions			<i>also in the SGP</i>
Promoting Investments and Exports				
	R&D and innovation:			
5	Carry out in depth evaluation of all R&D and innovation actions, including in various Operational Programmes, in order to adjust the national strategy	MinEduc		
6	Create an Advisory Council financed through the 7th R&D programme, to consider how to foster innovation, how to strengthen links between public research and Greek industries and the development of regional industrial clusters	MinEduc		
Structural and Cohesion Funds				
	Increase absorption of Structural and Cohesion Funds:			
7	Meet targets for payment claims (measured against certified data) and large projects			

4.

MINISTRY OF ECONOMY, COMPETITIVENESS AND SHIPPING
MEASURES - ACTIONS FOR THE 4th REVIEW (to be completed by end Q1 2011)

C. STRUCTURAL MEASURES				
No.	Measures	Other Authority	Status of implementation	Notes
Public Administration Reforms				
	Public Procurement:			
1	Complete effective transposition of Directive 2007/66/EC on public procurement regarding remedies and have an effective appeals system (responsibility for the reviews to be vested with the administrative courts)			

5.

MINISTRY OF ECONOMY, COMPETITIVENESS AND SHIPPING				
MEASURES - ACTIONS FOR THE 5th REVIEW (to be completed by end Q2 2011)				
C. STRUCTURAL MEASURES				
No.	Measures	Other Authority	Status of implementation	Notes
Structural and Cohesion Funds				
	Increase absorption of Structural and Cohesion Funds:			
1	Meet targets for payment claims to be measured against certified			

6.

MINISTRY OF ECONOMY, COMPETITIVENESS AND SHIPPING				
MEASURES - ACTIONS FOR THE 6th REVIEW (to be completed by end Q3 2011)				
C. STRUCTURAL MEASURES				
No.	Measures	Other Authority	Status of implementation	Notes
Business Environment				
	Improve the Business Environment:			
1	Change legislation to mitigate tax obstacles to mergers and acquisitions such as the non-transfer of accumulated losses, together with the company and the complex computation of "excessive benefit" (Law 3522/2006, Article 11) in the transfer of private limited companies.			

2	Simplify the process to clear customs for exports and imports and give larger companies or industrial areas the possibility to be certified to clear cargo for the customs themselves.			
3	Abolish the requirement of registration with the exporter's registry of the chamber of commerce obtaining a certificate of origin			

7.

MINISTRY OF ECONOMY, COMPETITIVENESS AND SHIPPING				
MEASURES - ACTIONS FOR THE 7th REVIEW (to be completed by end Q4 2011)				
C. STRUCTURAL MEASURES				
No.	Measures	Other Authority	Status of implementation	Notes
Structural and Cohesion Funds				
	Structural and Cohesion Funds:			
1	Meet the targets for payment claims (to be measured against certified data) and for the submission of large projects.			
2	Introduction of web-based open-access monitoring tool of procedures for approval of project proposals and for implementation of public projects			
3	Ensure that the managerial capacity of all Managing Authorities and Intermediate Bodies of operational programmes under the framework of the National Strategy Reference Framework 2007-2013 has been certified by the International Organisation for Standardization according to the standard ISO 9001:2008 (Quality Management)			

1.

MINISTRY OF LABOUR AND SOCIAL SECURITY					
MEASURES - ACTIONS FOR THE 1st REVIEW (to be completed by end Q2 2010)					
A. FISCAL MEASURES					
No.	Measures	Other Authority	Fiscal Outcome	Status of implementation	Notes
			Target		
Fiscal consolidation					
1	Elimination of the Easter, summer and Christmas bonuses paid to pensioners, while protecting those receiving lower pensions	MinFin	EUR 1500 million in 2010 and EUR 1900 million for a full year	Completed. Law 3847/2010 (FEK 67 A')	
2	Reduce the highest pensions	MinFin	EUR 350 million in 2010 and EUR 500 million for a full year	Private sector: included in the pension reform law. Public sector: included in the draft law on public sector pensions.	

2.

MINISTRY OF LABOUR AND SOCIAL SECURITY					
MEASURES - ACTIONS FOR THE 2nd REVIEW (to be completed by end Q3 2010)					
A. FISCAL MEASURES

1	Nominal freeze in pensions	MinFin			
2	Reduction of transfers to public enterprises following their restructuring	MinFin/ Line Ministries	EUR 800 million		

3	Make unemployment benefits means-tested		EUR 500 million		
---	---	--	-----------------	--	--

1.

MINISTRY OF LABOUR AND SOCIAL SECURITY				
MEASURES - ACTIONS FOR THE 1st REVIEW (to be completed by end Q2 2010)				
C. STRUCTURAL MEASURES				
No.	Measures	Authority	Status of implementation	Notes
Structural Fiscal Reforms				
	Pension system reform:			
1	Prepare draft legislation for pension reform		Finalisation of draft law in process. It is expected to be voted by mid July.	
2	The National Actuarial Authority to produce a report to assess whether the parameters of the new system significantly strengthen long-term actuarial		Report on actuarial balance to be released in the next few days	
Labour Market and Wages				
	Discussion with social partners:			
3	Start discussions with social partners in order to revise private sector wage bargaining and contractual arrangements		The revision of the private sector wage bargaining and contractual arrangements will be included in the Pension reform law. It is expected to be voted by mid July.	

2.

MINISTRY OF LABOUR AND SOCIAL SECURITY				
MEASURES - ACTIONS FOR THE 2nd REVIEW (to be completed by end Q3 2010)				
C. STRUCTURAL MEASURES				
No.	Measures	Authority	Status of implementation	Notes
Structural Fiscal Reforms				
	Pension system reform:			
1	Adopt a comprehensive pension reform that reduces the projected increase in public spending on pensions over the period 2010-60 to 2½ percent of GDP, including:			<i>also in the SGP</i>

-Simplification of the fragmented pension system by merging the existing pension funds in three funds and introducing a unified new system for all current and future employees. The new universally binding rules on entitlements, contributions, accumulation rules and indexation of pension rights shall be applied pro rata to everybody from 1 January 2013.			
-Introduction of a unified statutory retirement age of 65 years, including for women in the public sector (phased in immediately after adoption), to be completed by December 2013			
-Gradual increase in the minimum contributory period for retirement on a full benefit from 37 to 40 years by 2015			
-Amendment of the pension award formula in the contributory-based scheme to strengthen the link between contributions paid and benefits received, with accrual rate limited to an average annual rate of 1.2%, and pensions indexed to prices			
-Introduction of an automatic adjustment mechanism that, every three years and starting in 2020, will increase the (minimum and statutory) retirement age in line with the increase in life expectancy at retirement			
-Extend the calculation of the pensionable earnings from the current last five years to the entire lifetime earnings (while retaining acquired rights)			
-Reduction of the upper limit on pensions			
-Introduction of a means-tested minimum guaranteed income for elderly people (above the statutory retirement age), to protect the most vulnerable groups, consistent with fiscal sustainability			
-Measures to restrict access to early retirement. In particular, increase the minimum early retirement age to 60 years by 1 st January 2011, including for workers in heavy and arduous professions and those with 40 years of contributions. Abolish special rules for those insured before 1993 (while retaining acquired rights).			
-Substantial revision of the list of heavy and arduous professions			
-Reduction of pension benefits (by 6% per year) for people entering retirement between the ages of 60 and 65 with a contributory period of less than 40 years			
-Introduction of stricter conditions and regular re-examination of eligibility for disability pensions			

3.

MEASURES - ACTIONS FOR THE 3rd REVIEW (to be completed by end Q4 2010)				
C. STRUCTURAL MEASURES				
No.	Measures	Authority	Status of implementation	Notes
Labour Markets and Wages				
	Reform private wage bargaining system to ensure wage moderation:			
1	Adopt legislation to reform wage bargaining system in the private sector, including local territorial pacts to set wage growth below sectoral agreements			
2	Introduce variable pay to link wages to productivity performance at the firm level			
3	Amend regulation of the arbitration system, (Law 1876/1990), so that both parties can resort to arbitration if they disagree with the proposal of the mediator			
	Increase the flexibility of working hours:			
4	Adjust legislation to provide for a reduction in pay rates for overtime work and enhanced flexibility in the management of working time			
	Reform minimum wages:			
5	Following dialogue with social partners, government to adopt legislation on minimum wages to introduces sub-minima for groups at risk such as the young and long term unemployed,			
6	Adopt measures to guarantee that current minimum wages remain fixed in nominal terms for three years			
	Reform Employment Protection Legislation:			
7	Extend the probationary period for new jobs to one year			
8	Reduce the overall level of severance payments which should apply equally to blue and white collar workers			
9	Raise the minimum threshold for activating rules on collective dismissals especially for larger companies			
10	Facilitate use of temporary contracts and part-time work			

4.

MINISTRY OF LABOUR AND SOCIAL SECURITY				
MEASURES - ACTIONS FOR THE 5th REVIEW (to be completed by end Q2 2011)				
C. STRUCTURAL MEASURES				
No.	Measures	Other Authority	Status of implementation	Notes
Labour Market and Wages				
	Fight undeclared work:			

1	Complete the reform to strengthen the Labour Inspectorate, which should be fully resourced with qualified staff and has quantitative targets on the number of controls to be executed			
2	Adapt the legislation on tackling undeclared work to require the registration of new employees before they start working			
	Review social safety net:			
3	Review the scope for improvements in the targeting of social expenditures to enhance the social safety net for the most vulnerable
